Catlin Court Home Tour, Nov. 8

Holiday Open House & Catlin Court Historic Home Tour – Nov. 8. Mark your calendar to attend Downtown Glendale's Annual Holiday Open House on Saturday, Nov. 8, from 10 a.m. to 5 p.m.

Participating shops in Old Towne and Catlin Court will be decorated and filled with gifts, decorations, furniture, home decor and all your needs for the holidays! Historic Downtown Glendale is filled with more than 90 one-of-a-kind boutiques and specialty shops where you're sure to find that perfect gift for everyone on your list, as well as great eateries when you need to take a break from shopping! In addition, many shops will offer refreshments, special promotions, gifts and prizes.

While you're in downtown Glendale, you'll also want to check out Catlin Court's Historic Home Tour. Haven't you driven through the Historic District and wondered what the beautiful bungalow homes looked like inside? This is your chance to find out! Eleven homeowners will open their doors for the Home Tour that day from 10 a.m. to 4 p.m. and the event will feature free horse-drawn carriage rides and a vintage car show. Tickets are \$10 in advance or \$12 the day of the event. Tickets are available for purchase at Glendale's Visitor Center, 5800 W. Glenn Dr., Suite 140, or on the Web at www.catlincourthometour.com.

Bridge at Skunk Creek. During their October 28 Meeting, Council awarded a contract for construction of the Bridge over Skunk Creek at 57th Avenue. The new bridge will provide residents with better access across Skunk Creek. Other improvements include a multi-use recreational path for pedestrians and cyclists with new streetlights, landscaping, improved traffic flow and aesthetic enhancements.

The Pinnacle Peak Road Waterline Project. It's Official! The City of Peoria recently awarded a contract to install a 16-inch waterline under the north shoulder of Pinnacle Peak Road from 73rd Avenue to the New River. Construction will begin November 3 and the project is slated for completion in December 2008. Construction work hours will be 7:00 a.m. to 5:00 p.m., Monday through Friday. Some weekend work may be necessary.

Construction will take place out of the paved roadway surface so traffic restrictions should be minimal. The contractor will maintain one lane of traffic in each direction. However, please allow yourself extra time to get where you are going, as there may be delays. Access always will be maintained for residents, businesses and emergency vehicles.

If you have questions, concerns or need information about the project, call the 24-hour construction hotline at (602) 264-6416.

Boards & Commissions. Congratulations to the following Cholla District residents who were recently appointed to serve on Glendale advisory boards and commissions: Danielle Bohall – Commission on Persons with Disabilities and Michael Buettner – Housing Advisory Commission.

Glendale's 18 boards and commissions assist the City Council in making important policy decisions that impact the community. These volunteer citizen advisory groups research, study and discuss specific Glendale projects and issues and then forward their recommendations to the City Council.

DOMESTIC VIOLENCE MONTH

The West Valley Advocacy Center. The West Valley Advocacy Center is the comprehensive, multi-disciplinary team of professionals who work together, under one roof, to provide coordinated services to victims of family violence.

The core concept is to provide **one place** where victims can go to talk to an advocate or receive a variety of crisis services. Victims are often required to travel from location to location to seek services that are scattered through a city or county. They have to tell their story over and over again to officials. Needless to say, the criminal justice system unintentionally makes it easy for victims to become frustrated and ultimately give up.

West Valley Advocacy Center One Place to:

- plan for safety
- talk to a police officer
- meet with a prosecutor
- obtain a 911 emergency cell phone
- receive medical assessment
- get assistance with obtaining an Order of Protection

America Recycles Day Cell Phone Collection. Time to toss those old cell phones for a good cause! The city of Glendale is celebrating America Recycles Day, Nov. 15, with a special cell phone recycling program for the month of November that will provide phones to victims of domestic violence.

The public is encouraged to drop old cell phones off at Jobing.com Arena at Gate 3 on the Northwest corner of the building, any of Glendale's three public libraries, Glendale Visitor Center or Qwest at Westgate City Center in Glendale.

After the cell phones are collected, the West Valley Advocacy Center will arrange for the phones to be recycled. Once the cell phones are refurbished, the phones will become available for victims of stalking and domestic violence.
